who will make their dreams come true

**Nation  
Builders  
from UPES**

**A thought leader in education.**

Recognising the value of specialised professionals in the country, UPES offers several domain-focussed programs at various levels. Exceptionally qualified faculty coupled with immense industry exposure prepare a solid foundation for a successful career.

We welcome the 2,000 promising young men and women who have embarked upon their professional journeys with us this year. We further invite students seeking admissions for the forthcoming session commencing in 2012. Please register at [www.upes.ac.in](http://www.upes.ac.in) for detailed counselling on designated dates at various venues.
