

Interviews for Doctoral Research Fellow (DRF)

University of Petroleum & Energy Studies (UPES) is working on various sponsored research projects related to Alternate Energy. Currently we are looking for DRF in the areas of Solar Energy, Wind Energy and Micro/Mini Hydro-Power Projects. Candidates with Bachelors Degree in relevant Engineering discipline or Masters in Physics would be preferred.

Interviews are scheduled to be conducted after short listing the suitable candidates. Interested candidates may send their application to the HR Department on or before 15th October 2011.

SN	Designation	Eligibility Criteria
1)	DRF – Solar Energy	Candidates with qualification in Mechanical/ Electrical/Physics with at least 2 years experience would be preferred. Note: PhD registration is mandatory with UPES (Basic Salary of Rs. 18,000 + 20% HRA)
2)	DRF – Wind Energy	Candidates with qualification in Mechanical/Electrical/Electronic with at least 2 years experience would be preferred. Note: PhD registration is mandatory with UPES (Basic Salary of Rs. 18,000 + 20% HRA)
3)	DRF - Micro/Mini Hydro	Candidates with qualification in Civil/Mechanical/ Electrical/ Electronic with at least 2 years experience would be preferred. Note: PhD registration is mandatory with UPES (Basic Salary of Rs. 18,000 + 20% HRA)

Interested candidates may send their updated CV through e mail at:
