

Summer Excitement Program 2019

18th May' 19 to 22nd May' 19 , School of Computer Science and UPES-Hypervision.

Year 2019 brought an enthusiastic ending for School of Computer Science and UPES-Hypervision with the ever engaging and exciting SUMMER EXCITEMENT PROGRAM-2019 in collaboration with IBM and Xebia Academy.

Founded in 2013 , Hypervision is the only Chapter created in UPES under the mentorship of Dr. Manish Prateek and other faculties . Featuring zero membership fee, UPES-Hypervision is initialized to serve the purpose of peer mentoring which gave students a platform where they could explore and go beyond their friend circle. The family culture aims towards creating a strong alumni base which nurtures and improves the skills of students. This five Day event was organized in the campus with a whole lot of more than 10 enthralling events . With the participation of all departments of Computer Sciences and 40 Active Volunteers the whole event took its shape and dwelled in wonderful experiences , winnings and memories .

The Inaugural Ceremony was conducted on May 18, 2019 were all the faculty mentors , faculty heads , volunteers and team Hypervision joined in to commence the start of SEP-2019 .This was followed up by the trail matches for the outdoor events like cricket , football , basketball etc. and refreshments were given to all the participants . Teams and participants were finalized for the same

May 20, 2019 and May 21, 2019 came up with immense participation and competition between students and various departments of Computer Sciences . The shortlisted teams from Day 1 indoor and outdoor activities participated along on Day 2-3 , finalizing results at the end .

We also conducted 3 expert sessions from IBM and Xebia SME on 18th ,20th and 21st May 2019 as a part of SEP 2019.
