

Yearly Status Report - 2017-2018

Part A

Data of the Institution

1. Name of the Institution	UNIVERSITY OF PETROLEUM AND ENERGY STUDIES
Name of the head of the Institution	Dr. Deepender Kumar Jha
Designation	Vice Chancellor
Does the Institution function from own campus	Yes
Phone no/Alternate Phone no.	01352770137
Mobile no.	8860463338
Registered Email	vc@upes.ac.in
Alternate Email	registrar@upes.ac.in
Address	Energy Acres, Bidholi(PO), Via Prem Nagar,
City/Town	Dehradun
State/UT	Uttarakhand
Pincode	248007

2. Institutional Status	
University	Private
Type of Institution	Co-education
Location	Semi-urban
Financial Status	private
Name of the IQAC co-ordinator/Director	Dr. V J Byra Reddy
Phone no/Alternate Phone no.	01352770137
Mobile no.	7665494955
Registered Email	iqac@upes.ac.in
Alternate Email	registrar@upes.ac.in

3. Website Address	
Web-link of the AQAR: (Previous Academic Year)	https://www.upes.ac.in/media/3299/aqar-2016-17.pdf
4. Whether Academic Calendar prepared during the year	Yes
if yes,whether it is uploaded in the institutional website: Weblink :	https://www.upes.ac.in/media/3291/academic-calendar-2017-18-ver2.pdf

5. Accrediation Details					
Cycle	Grade	CGPA	Year of Accrediation	Validity	
				Period From	Period To
1	B++	2.79	2013	26-Oct-2013	25-Oct-2018

6. Date of Establishment of IQAC	01-Jul-2009
---	-------------

7. Internal Quality Assurance System

Quality initiatives by IQAC during the year for promoting quality culture		
Item /Title of the quality initiative by IQAC	Date & Duration	Number of participants/ beneficiaries

Faculty members and students to increase usage of Blackboard(LMS)	10-Oct-2017 12	5500
Organised several faculty development program (FDP) Centre for Advanced Faculty Enrichment (CAFE)	02-Apr-2018 12	250
Implemented Outcome Based Education across University in all programs	10-Jan-2018 12	10500
Institutionalize Multi-Disciplinary Projects under the umbrella of Research & Innovation in Science & Engineering Scheme for students	18-Feb-2018 12	53
Strengthening of Existing Mentor Mentee System	12-Oct-2017 12	11800
Strengthening learning experience of students through online/blended learning	28-Jun-2018 12	11800
Increase number of e Database/e Journals subscription	12-Sep-2017 12	12200
Blooms Taxonomy for Question paper setting to be practiced	28-Jun-2018 12	11800
Framework for creating vision statement and Strategic Plan	06-Dec-2017 6	12300
No Files Uploaded !!!		

8. Provide the list of Special Status conferred by Central/ State Government-UGC/CSIR/DST/DBT/ICMR/TEQIP/World Bank/CPE of UGC etc.

Institution/Department/ Faculty	Scheme	Funding Agency	Year of award with duration	Amount
UPES	Research	DSIR	2017 4	0
No Files Uploaded !!!				

9. Whether composition of IQAC as per latest NAAC guidelines:

No

Upload latest notification of formation of IQAC

No Files Uploaded !!!

10. Number of IQAC meetings held during the year :

4

The minutes of IQAC meeting and compliances to the decisions have been uploaded on the institutional website	Yes
Upload the minutes of meeting and action taken report	View File
11. Whether IQAC received funding from any of the funding agency to support its activities during the year?	No
12. Significant contributions made by IQAC during the current year(maximum five bullets)	
1. Institutionalized MultiDisciplinary Projects across all Schools. 2. Implemented Outcome Based Education across University in all programs. 3. Recommended and implemented new reforms in the Ph.D. process as per UGC guidelines. 4. Conducted workshops on Outcomebased Education, Swayam - MOOC platform/courses, IACBE processes, and Mentoring the Mentors. 5. Organised faculty development program (FDP) Centre for Advanced Faculty Enrichment (CAFE)	
No Files Uploaded !!!	
13. Plan of action chalked out by the IQAC in the beginning of the academic year towards Quality Enhancement and outcome achieved by the end of the academic year	
Plan of Action	Achivements/Outcomes
Increase number of e Database/e Journals subscription	Seventy percent increase in the database amounting to one crore in Academic Year
To establish Student helpdesk for supporting students	Implemented & Functional
Strengthening learning experience of students through online/blended learning	All faculty members and students are using Blackboard(online learning Management System) tool.
Strengthening of Existing Mentor Mentee System	Restructuring of the Log Books, Audits at Management Level
Implement Outcome based Education in all programmes across the University.	Phase one of the project executed across schools. Initiated preparedness for NBA Accreditation for School of Engineering.
Institutionalize Multi-Disciplinary Projects under the umbrella of Research & Innovation in Science & Engineering Scheme for students	National Level Evaluation for the projects began in Academic Year
No Files Uploaded !!!	
14. Whether AQAR was placed before statutory body ?	Yes

Name of Statutory Body	Meeting Date
BoM	22-Oct-2018
15. Whether NAAC/or any other accredited body(s) visited IQAC or interacted with it to assess the functioning ?	No
16. Whether institutional data submitted to AISHE:	Yes
Year of Submission	2018
Date of Submission	15-Mar-2018
17. Does the Institution have Management Information System ?	Yes
If yes, give a brief description and a list of modules currently operational (maximum 500 words)	<p>Majorly all the processes in UPES has implemented Management Information System since 2007. The entire functioning of UPES including Finance, Student Registration, Examinations, Counselling Services, Feedback system are running on different modules of SAP. SAP modules for Finance (FI/CO FI/CA), Student Information System (SLCM), Materials management and Human Capital Management have been implemented since 2007. Over the years numerous functional enhancements have been done in the area of process automation in SAP. A brief about some significant enhancements are given below: Student Portal: A unified portal for all essential services for the students like Grade cards, Fee payments, Hostel requisition forms, mandatory documents, academic notifications etc. The student can login to the portal from anywhere to avail these services which are available 24X7. This ensures that they do not have to que up for standard services delivered through the portal. Finance Modules Automation: The Fee payment process is automated and integrated with the payment gateway. The automation generates payment journals based on the payment confirmation from the payment gateway. This not only optimizes the process eliminating manual data entry, but also ensures data integrity. • All vendor</p>

payments are done through RTGS. This makes us one of the very few universities who are making 100 payments through digital mode. The Application refund is also online with the provision for refund request submission available on the website. • Student registration Re Registration - The integration of the online counselling application with SAP ensures automated student registrations in SAP. The reregistration process for every semester is automated and integrated with the payment gateway enabling students to complete the process online. MIS in the area of Academic Non Academic Administration • Attendance Time Table Management System: University has deployed an RFID based attendance recording system which is integrated with the timetable management system which provides detailed MIS for time table management. • Enrollment Admissions process is fully automated and transparent from the Application stage to the allotment of seats. The application can be submitted online at the website with payment gateway integration for the application fee. The result processing is done online, and the results are published on the website. • The counselling process is run on an automated application which works on ranks ensuring fair allocation of seats. • Feedback System: The MIS for the Feedback is made available to the Faculty, HOD and deans based on a controlled workflow.

Part B

CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Design and Development

1.1.1 – Programmes for which syllabus revision was carried out during the Academic year

Name of Programme	Programme Code	Programme Specialization	Date of Revision
Mtech	SEE2P	Structural Engineering with spln in offshore	20/05/2017
Mtech	PEE2P	Petroleum Engineering	20/05/2017
Mtech	ROE2P	Automation & Robotics Engineering	20/05/2017

Mtech	PLE2P	Pipeline Engineering	20/05/2017
Mtech	PDE2P	Chemical Engineering with specialization in Process Design Engineering	20/05/2017
MBA	AVB2P	Aviation Management	20/05/2017
MBA	IFB2P	Urban Infrastructure Development/Infrastructure management	20/05/2017
PhD or DPhil	ECB3D	Economics	20/05/2017
PhD or DPhil	MGB3D	Management	20/05/2017
PhD or DPhil	TMB3D	Transportation Management	20/05/2017
PhD or DPhil	EMB3D	Energy Management	20/05/2017
BTech	EEE4U	Electronics and Communication Engineering/Electronics Engineering	20/05/2017
BTech	MHE4U	Mechanical Engineering with Machine Design/Thermal Engineering/Production Engineering/MSNT	20/05/2017
LLB	ELL5U	B.A Hons with spln in Energy Law/labour law/criminal law/Constitutional law	20/05/2017
LLB	TXL5U	B.Com with Taxation Law	20/05/2017
LLB	CYL6U	B.Tech CSE with LLB in Cyber Law	20/05/2017
LLB	CLL5U	BBA with Corporate Law/ International Trade and Investment Law/ Banking Insurance and Finance	20/05/2017
LLB	EIL6U	B.Tech Energy Trading with LLB in IPR	20/05/2017
Mtech	CDE2P	Computation Fluid Dynamics	20/05/2017
Mtech	UVE2P	Aerospace Engineering with specialization in	20/05/2017

		UAV	
Mtech	CSC2P	Computer Science & Engineering	20/05/2017
Mtech	REE2P	Renewable Energy Engineering	20/05/2017
View File			

1.1.2 – Programmes/ courses focussed on employability/ entrepreneurship/ skill development during the Academic year

Programme with Code	Programme Specialization	Date of Introduction	Course with Code	Date of Introduction
BDes	All Programs	01/08/2017	84	01/08/2017
BPlan	BPlan	01/08/2017	43	01/08/2017
BTech	All Programs	25/07/2017	2322	25/07/2017
BA	All Programs	01/08/2017	66	01/08/2017
BBA	All Programs	18/07/2017	563	18/07/2017
BCA	Bachelor of Computer Applications	01/08/2017	28	01/08/2017
BFA	Digital Arts	01/08/2017	28	01/08/2017
LLB	All Programs	20/07/2017	265	20/07/2017
LLM	All Programs	01/08/2017	19	01/08/2017
MDes	All Programs	01/08/2017	50	01/08/2017
MPlan	MPlan	01/08/2017	46	01/08/2017
Mtech	All Programs	04/07/2017	346	04/07/2017
MA	Energy Economics	01/08/2017	29	01/08/2017
MBA	All Programs	23/06/2017	434	23/06/2017
No file uploaded.				

1.2 – Academic Flexibility

1.2.1 – New programmes/courses introduced during the Academic year

Programme/Course	Programme Specialization	Dates of Introduction
BCA	Bachelor of Computer Applications	31/07/2017
BTech	CSE with specialization in Big Data	28/07/2017
BTech	CSE with specialization in Dev Ops	28/07/2017
BBA	Accounting and Information System	18/07/2017
BA	Economics with specialization in Energy Economics	01/08/2017
MDes	Interaction Design	01/08/2017
View File		

1.2.2 – Programmes in which Choice Based Credit System (CBCS)/Elective Course System implemented at the University level during the Academic year.

Name of programmes adopting CBCS	Programme Specialization	Date of implementation of CBCS/Elective Course System
BBA	All Programs	18/07/2017
MBA	All Programs	23/06/2017
LLB	All Programs	20/07/2017
BCA	Bachelor of Computer Application	01/08/2017
MA	Energy Economics	01/08/2017
PhD or DPhil	All Programs	20/05/2017
BA	All Programs	01/08/2017
LLM	All Programs	01/08/2017
BTech	All Programs	25/07/2017

1.3 – Curriculum Enrichment

1.3.1 – Value-added courses imparting transferable and life skills offered during the year

Value Added Courses	Date of Introduction	Number of Students Enrolled
169	04/07/2017	11387
View File		

1.3.2 – Field Projects / Internships under taken during the year

Project/Programme Title	Programme Specialization	No. of students enrolled for Field Projects / Internships
BDes	BDes	26
BPlan	BPlan	6
BTech	All Programs	3417
BA	Public Policy	39
BBA	All Programs	656
BFA	All Programs	13
LLB	All Programs	1383
Mtech	All Programs	182
MA	Energy Economics	26
MBA	All Programs	809
View File		

1.4 – Feedback System

1.4.1 – Whether structured feedback received from all the stakeholders.

Students	Yes
Teachers	Yes
Employers	Yes
Alumni	Yes
Parents	Yes

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution?
(maximum 500 words)

Feedback Obtained

Program Evaluation Feedback on curriculum are collected from the stakeholders in the prescribed formats and are analyzed both qualitatively and quantitatively. Students: Feedback from students is taken both formally and informally. An informal feedback happens at the level of faculty, Course Coordinator (CC) and Head of Department (HOD) during any time of the academic session. A structured formal feedback takes place through the student feedback once during the midsemester and one towards the end. This feedback is obtained through the portal where student have to fill a structured feedback form. The Dean meets a crosssection of the students to get the feedback during midterm review. Student give feedback through their representation, which is taken up in Department Consultative Committee (DCC), Board of Studies (BOS) and Internal Quality Assurance Cell (IQAC). If the rating of the students is less than '3' in 5 point scale for any faculty members in delivery of the course, then that faculty concerned will be facilitated to attend faculty enrichment program which focus on communication skill, presentation and on course content. Parents: The mechanism of feedback from parents is mostly informal. The feedback is taken in various contact moments like convocation - dinner, parent's walkins and communication through CCs. Faculty: Faculty feedback is taken not only for academic purposes but also in understanding the environment and various intervention processes adopted time to time. A school wise feedback processes ensured that we became the Great place to work with organization last year. Faculty feedback is sought through HR post all training programs and during their appraisal process. Alumni: Alumni Inputs are taken during the alumni meets, BOS, IQAC and they are focused in various University functional bodies. Employers: BOS, interaction with HR personal. Visiting companies give specific feedback to the School's placement office. Qualitative inputs are summarized and placed before the Department Consultative Committee along with the proposed changes in the curricula and the proposed actions to be taken for the academic development of the department. Necessary steps are taken if the average of the program rating on various parameters listed in the format is less than 3 in 5 point scale. Feedback on course content and course delivery are collected at the end of the semester.

CRITERION II – TEACHING- LEARNING AND EVALUATION

2.1 – Student Enrolment and Profile

2.1.1 – Demand Ratio during the year

Name of the Programme	Programme Specialization	Number of seats available	Number of Application received	Students Enrolled
BA LLB	Energy Laws/ Criminal Law / Labor Law / Constitution Law	240	1464	246
LLB	BBA(LLB) in Corporate Laws/ International Trade & Investment / Banking, Insurance & Finance	180	1409	177

BCom	LLB (H) Taxation Laws/ Media & Entertainment Law	120	156	111
MA	Economics (Energy Economics)	20	50	13
LLM	Energy Law / Business Law / International Economic Law / Law & Technology	25	137	23
BTech	All Specializations	2075	23546	1818
Mtech	Aerospace Engineering with specialization in Unmanned Aerial Vehicle	10	30	4
Mtech	Computational Fluid Dynamics	10	11	7
Mtech	Energy Systems	10	35	8
Mtech	Health, Safety & Environmental Engineering	60	146	53
Mtech	Health, Safety & Environmental Engineering with specialization in Disaster Management	25	51	22
Mtech	Nuclear Science & Technology	10	15	2
Mtech	Structural Engineering with specialization in offshore structures	10	49	9
Mtech	Petroleum Engineering	20	100	21
Mtech	Pipeline Engineering	10	28	8
Mtech	Chemical Engineering with specialization in Process	10	62	7

	Design Engineering			
Mtech	Renewable Energy Engineering	15	66	11
Mtech	Automation & Robotics Engineering	10	46	8
Mtech	Rotating Equipment	10	13	4
Mtech	Computer Science and Engineering	10	51	5
BDes	All Specializations	140	688	135
MDes	All Specializations	30	151	19
BPlan	Bachelor of Planning	30	142	12
MPlan	Master of Planning	15	39	9
BBA	All Specializations	490	2019	432
MBA	All Specializations	530	1093	423
BA	Public Policy & Administration	40	158	33
BA	Energy Economics	30	97	21
View File				

2.2 – Catering to Student Diversity

2.2.1 – Student - Full time teacher ratio (current year data)

Year	Number of students enrolled in the institution (UG)	Number of students enrolled in the institution (PG)	Number of fulltime teachers available in the institution teaching only UG courses	Number of fulltime teachers available in the institution teaching only PG courses	Number of teachers teaching both UG and PG courses
2017	10567	1251	0	0	522

2.3 – Teaching - Learning Process

2.3.1 – Percentage of teachers using ICT for effective teaching with Learning Management Systems (LMS), E-learning resources etc. (current year data)

Number of Teachers on Roll	Number of teachers using ICT (LMS, e-Resources)	ICT Tools and resources available	Number of ICT enabled Classrooms	Number of smart classrooms	E-resources and techniques used
522	522	13	196	196	13

2.3.2 – Students mentoring system available in the institution? Give details. (maximum 500 words)

As a policy, each student will be assigned a Faculty mentor upon his/her joining to UPES. The faculty mentor shall have an advisory role and assist the student in the pursuit of his/her academic career at UPES. Faculty mentor will guide the student throughout his/her tenure at UPES. Students are expected to consult their faculty mentors on any matter relating to their academic performance and the courses they may take in various semesters/summer terms. The faculty mentor is assigned to extend guidance to the students enabling them to complete their courses of study for the required degree in a smooth and timely manner. Thus, the role of a faculty mentor is of immense importance. The faculty mentor is the person to whom the parents/guardians should contact for performance related issues of their wards. A faculty mentor is expected to:

1. Guide a student on rules and regulations of the academic programme
2. Pay special attention to the academically weaker students
3. Guide and liaise with the parents of students
4. Monitor and analyse performance of the students on regular basis
5. Encourage students to satisfy the mandatory attendance requirement
6. Analyse and try to solve personal problems of the students
7. Record all the activities in the mentor diary in the prescribed format

Each student shall register for a set of courses as advised by his/her faculty mentor at the commencement of every semester. Students with backlog should continuously seek help from their faculty mentors. The University shall also communicate to the parents/ guardians regarding performance of their ward by scanning copy of grade card at the end of each semester.

Number of students enrolled in the institution	Number of fulltime teachers	Mentor : Mentee Ratio
12129	522	1 : 23

2.4 – Teacher Profile and Quality

2.4.1 – Number of full time teachers appointed during the year

No. of sanctioned positions	No. of filled positions	Vacant positions	Positions filled during the current year	No. of faculty with Ph.D
616	522	94	116	300

2.4.2 – Honours and recognition received by teachers (received awards, recognition, fellowships at State, National, International level from Government, recognised bodies during the year)

Year of Award	Name of full time teachers receiving awards from state level, national level, international level	Designation	Name of the award, fellowship, received from Government or recognized bodies
2017	Uday Bhan	Assistant Professor	Appreciation certificate by American Association of Petroleum Geologist
2017	Ravi Tomar	Assistant Professor	Best Paper Award in 2nd International Conference on Sustainable Computing Techniques in Engineering, Science and Management organised by SN Education Society, India and URGCEE, USA
2017	Pardeep Singh	Assistant Professor	Best paper award in International Conference on

			Innovation in Computing
2017	Jitendra K Pandey	Professor	Member of The National Academy of Sciences
2017	Ajit Kumar Nigam	Associate Professor	Member, Startup Council of PHD Chamber of Commerce
2017	Gowri Ramaswamy	Professor	Executive Council Member IEEE UP Section and Convenor WEI (Women in Engineering)
2017	Mr. Mainak Mukherjee	Assistant Professor	L'Universite De Lorraine, France
2018	S K BANERJEE	Professor	Best Citizen of India Gold Medal Award by Global Economic Progress and Research Association
2018	Dr. Sravendra Rana	Assistant Professor	Swiss National Science Foundation (SNF) Grant Switzerland
2017	Ajay Rawat	Assistant Professor	Longest Continuous SBC" under CSI Academic Award by Computer Society of India
2017	Anita Gehlot	Assistant Professor	Session Chair at International Conference on Computing Sustainable Global Development INDIACOM2017 at Bhatiya Vidyapeeth, New Delhi, during 1st - 3rd March 2017.
2017	Binod Kumar Singh	Assistant Professor	1. Chief Guest Editor for Special Issue of Journal of Business and Management Sciences, Science and Education publishing (SciEP), USA 2. Editorial Review Board, International Journal of Bu

2017	Ajit Kumar Nigam	Associate Professor	Country Ambassador University Business Incubator, Sweden
2017	Mamta Rana	Associate Professor	Best Paper Award by Legal Desire
2017	Prasoom Dwivedi	Professor	1. Chartered Economist, certified by Global Academy of Finance and Management (GAFM), Colorado, USA. 2. Master Financial by Global Academy of Finance and Management (GAFM), Colorado, USA. 3. Member and Fellow of the Global Academy of Finance and
2017	Sushabhan Choudhury	Associate Professor	Panel expert in Confederation of Indian Industry (CII) IoT submit 2017
2017	Rajesh Singh	Associate Professor	Session Chair at International Conference on Computing Sustainable Global Development INDIACOM2017
2017	Vivek Kaundal	Assistant Professor	A Grade in Two week ISTE STTP on introduction to design of algorithms conducted by IIT, Kharagpur
2017	Vishal Gupta	Assistant Professor	Gandhian Young Technological Innovation (GYTI) Award 2017
2017	Amit Agarwal	Professor	Distinguished Academician by Pentagon Research Centre
2017	Thirupathaiah Pothuraju	Assistant Professor	Dr. D. S. Kothari Post Doctoral Fellowship (UGC)
2017	Arjun Arora	Assistant Professor	Young Scientist Award 2017
2017	Akhil Damodaran	Assistant Professor	Fellowship by

			Competition Commission of India for PhD internship program
2017	Narendra Nath Dalei	Assistant Professor	Recognised Reviewer Award 2017 by Energy Policy, Elsevier
View File			

2.5 – Evaluation Process and Reforms

2.5.1 – Number of days from the date of semester-end/ year- end examination till the declaration of results during the year

Programme Name	Programme Code	Semester/ year	Last date of the last semester-end/ year-end examination	Date of declaration of results of semester-end/ year- end examination
BCA	CAC3U	II Sem	17/05/2018	08/06/2018

2.7 – Student Satisfaction Survey

2.7.1 – Student Satisfaction Survey (SSS) on overall institutional performance (Institution may design the questionnaire) (results and details be provided as weblink)

<https://www.upes.ac.in/student#stuDownSection>

CRITERION III – RESEARCH, INNOVATIONS AND EXTENSION

3.1 – Promotion of Research and Facilities

3.1.1 – Teachers awarded National/International fellowship for advanced studies/ research during the year

Type	Name of the teacher awarded the fellowship	Name of the award	Date of award	Awarding agency

International	Mr. Yashvir Singh	Fellowship for Doctoral Studies	30/05/2017	National Cheng Kung University
International	Dr. Sravendra Rana	SNF Scientific Exchange grant	04/03/2018	Swiss National Science Foundation (SNF) Switzerland
International	Dr. Jitendra Kumar Pandey	Visit for Research Project in France	11/05/2018	Department of Science and Technology (DST)
International	Dr. Sanjay Kumar	Visit for Research Project in France	11/05/2018	Department of Science and Technology (DST)
International	Mr. Mainak Mukherjee	Fellowship for Doctoral Studies	20/07/2017	Universite De Lorraine, France
International	Ms. Meenakshi Pundir	Fellowship for Higher Studies	20/07/2017	Centre of the Republic of Slovenia for Mobility and European Educational and Training Programmes
International	Dr. Rajeev Kumar Gupta	Fellowship for Research	30/05/2017	Christian Albrechts Universtat Zu Kiel, Technische Fakultat, Germany

3.3 – Innovation Ecosystem

3.3.1 – Workshops/Seminars Conducted on Intellectual Property Rights (IPR) and Industry-Academia Innovative practices during the year

Title of workshop/seminar	Name of the Dept.	Date
IPR Workshop Seminar	University of Petroleum and Energy Studies	01/07/2017
Industry Academia Innovative Practices	University of Petroleum and Energy Studies	01/07/2017

[View File](#)

3.3.2 – Awards for Innovation won by Institution/Teachers/Research scholars/Students during the year

Title of the innovation	Name of Awardee	Awarding Agency	Date of award	Category
Hybrid Vehicle Challenge 2018	B.Tech Mechanical and ADE students of UPES	Imperial Society of Innovative Engineers (ISEI)	17/01/2018	Student
Crosspad Runner Up	Virat Jain	Imperial Society Of Innovative Engineers	21/01/2018	Student
Gandhian Young Technological Innovation (GYTI) Awards 2018	Archit Aggarwal	Society for Research and Initiatives for Sustainable Technologies and Institutions (SRISTI)	19/03/2018	Student
IOT based wireless sensor network for landslide forecasting	Pradyumna Narayan Tiwari, Komal Gautam	Research Innovation in Science and Engineering, UPES	16/11/2017	Student
Cloud enabled smart energy meter and data logging system over internet	Archit Aggarwal	Research Innovation in Science and Engineering, UPES	16/11/2017	Student
Litter of light	Yashasvi Mittal, Tushar Batra	Research Innovation in Science and Engineering, UPES	16/11/2017	Student
Application of surfactant coated magnetic nanoparticles on recovery of oil from oil spills	Divyanshu Bhatt	Research Innovation in Science and Engineering, UPES	16/11/2017	Student
Alarm system for avoiding accidents at blind turns and Tpoint roads	Ankur Dubey Pradyumna Narayan Tiwari	Research Innovation in Science and Engineering, UPES	16/11/2017	Student
Design and fabrication of electric drive train in a spoleless bicycle wheel	Rajdeep Mukherjee Nayan Arora	Research Innovation in Science and Engineering, UPES	16/11/2017	Student
Investigation, characterizatio	Nikita Goyal Satyam Dixit	Research Innovation in	16/11/2017	Student

n and performance evaluation of biosynthesized silver nanoparticles from M.Pudica for various therapeutic applications		Science and Engineering, UPES		
Solid waste management system using GIS technology: A concept of smart dustbin	Somya Sashwat Mishra Gaurav Arora	Research Innovation in Science and Engineering, UPES	16/11/2017	Student
Pipeline cleaning robot	Navpreet Singh Nitin karnatak	Research Innovation in Science and Engineering, UPES	16/11/2017	Student

4.4 – Maintenance of Campus Infrastructure

4.4.1 – Expenditure incurred on maintenance of physical facilities and academic support facilities, excluding salary component, during the year

Assigned Budget on academic facilities	Expenditure incurred on maintenance of academic facilities	Assigned budget on physical facilities	Expenditure incurred on maintenance of physical facilities
10874.15	5471.11	2586.28	1086.93

4.4.2 – Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc. (maximum 500 words) (information to be available in institutional Website, provide link)

UPES, being an ISO 14001 certified, has established systems and procedures for maintaining and utilizing physical, academic and support facilities laboratory, library, sports complex, computers, classrooms etc. since inception. The Technical Services department along with the team of civil, electrical Engineers, plumbers, electricians, carpenters and pump house operators maintains the Infrastructural facilities round the year. Director, Administration as the approving authority to do a strategic planning for all the maintenance related jobs within the campus. The University also has Standard Operating Procedures (SOPs) for maintaining and utilizing physical, academic and support facilities. Majorly the maintenance activities covered in the yearly PPM (Planned Preventive Maintenance Schedule) including DG Sets, ESS, Pump Hoses, Solar Water Heating Plants, Solar Power Plants, STP etc. All requests for physical changes, alterations, renovations, new construction, repair, and maintenance of campus buildings, infrastructure and grounds reaches to Technical department as per SOP. AMC of Major Backbone Equipments: Planned Breakdown Repair and Maintenance of the important backbone utilizes are covered under AMC (Annual Maintenance Contract) to ensure the trouble free operations of the facility as follows. All 21 Nos of Lifts 07 Nos of DG Sets HVAC Systems (VRV) STP Operations Maintenance RO Purification systems Water Tanks Cleaning systems UPS Batteries systems. Waste Disposable systems Pest Control Systems

Legal Compliances: Technical Deptt also ensures the application of due diligence and compliance with all applicable Acts/regulations/codes applicable to the University like CGWA, UPCL, Safety Act, environmental compliance and the university standards by UGC. The University provides uninterrupted power supply and has the facility of industrial generators in the campus. With 900 KVA of Sanctioned Load and 1375 KVA of Back Up Power from emergency DG Sets. Renewable Energy Sources: To encourage renewable energy, the University has solar power plant (100 kW) Solar Water Heating Systems (61500 LPD) in the campus. The Maintenance and utilization is being covered in the PPM. STP Soft Water Plants:

The preventive maintenance is undertaken based on Standard Operating Procedures. UPES has water treatment plant of 600 KLD, wastewater treatment plant (550 KLD) that enables reuse of water for horticulture / gardening purpose. UPES Operates on "Zero Discharge Policy" RWHP: UPES have 06 Nos. of

Rain Water Harvesting pits along with the dedicated bore wells metering on the water charging system. Supported by the "Online Piezometer" for water table monitoring system. Infirmary, sports facility, transportation (buses, taxis, etc.), surveillance, Public Address system aiding in teaching, Air conditioned library services, laboratories, firefighting equipment are managed by respective departments that have their SOPs, audits and maintenance schedule. GRIHA ISO: The maintenance and upkeep of its infrastructure has enabled UPES to be awarded the GRIHA award in 2015 for green campus. The University is ISO certified - ISO 9001:2008 ISO 14001:2004 OHSAS 18001:2007.

5.3.2 – Activity of Student Council & representation of students on academic & administrative bodies/committees of the institution (maximum 500 words)

UPES involves the students as a stakeholder in various committees throughout their tenure at the university. Students are encouraged to participate in various administrative bodies, not only for their involvement but also as an opportunity to hone leadership skills. Students are represented in Departmental Consultative Committees, the Internal Quality Assurance Cell (IQAC), Career Services, and other student bodies. Details of their representation and role, is provided below: IQAC: As per the IQAC Constitution, each college must have a student representative in IQAC. These students are required to reflect on various quality initiatives and provide their perspective. DEPARTMENTAL CONSULTATIVE COMMITTEE: Every academic year, all departments of the university organize the Departmental Consultative Committee meetings to discuss required curriculum revisions. Students are part of this committee to provide feedback on the course content and the pedagogical tools used for content delivery. At times, students also suggest introduction of courses that help their employability and/or knowledge. CAREER SERVICES: Student placement representatives (SPRs) work along with the Career Services Department. They help in planning, communicating, and dissipating information about employers on the campus during recruitment drives. They also are key to identifying organizations that are suitable for internships during summer and winter breaks. CLASS REPRESENTATIVES (CRs): Each class has class representatives (CRs) from each gender. Course coordinators, heads of department, and school heads/deans and directors and the vice chancellor hold regular meetings with the CRs. Students Engagement and Experience (Students affairs): There are many student representatives in SEE department to conduct activities related to NSS, social media ambassadors, members of various clubs and chapters for different schools. They also represent other students for sharing their concerns and

issues with SEE members. Cultural Committees Students in this committee organize the university's annual signature events Uurja and Ignite. Besides these events, technical festivals, and impromptu events by various student chapters/clubs/committees of students are performed. Sports Committee Students representing this committee help in creating an amiable sports ecosystem at the university for the student community's physical and mental wellbeing. The committee members are responsible for conducting various intra and intercollegiate indoor and outdoor sports events. Student Discipline Committee Student Discipline Committee works under the supervision of the Proctorial Board and alerts the board to aspects like ragging, substance abuse, road traffic accidents, eve-teasing, racial/ caste discrimination, and gender harassment. These students also act as student representative in Internal Complaints Committee members in sexual harassment matters concerning students. Gender Champions Student Gender champions are appointed to promote gender equality and change the mode of interaction with the other gender at all levels including home, workplace and university. Road Safety Rangers UPES recognizes the need to sensitize students through students DC members about road safety measures. Various activities and events, like screening of documentaries, films of accident survivors, distribution of handbooks, etc., are planned at regular intervals. Hostel Management Representatives: There are groups of students in each hostel who participate in the management of hostel affairs like hostel menu finalization, organizing monthly hostel events, parties, etc.

5.4 – Alumni Engagement

5.4.1 – Whether the institution has registered Alumni Association?

Yes

Yes. Department of Alumni affairs supports nearly 12,000 UPES alumni that live and work around the world. Dedicated staff and alumni volunteers help manage more than 10 UPES Alumni Regional Chapters. Its influence and activities are pivotal in the development of both the global alumni community and the experience of university's students today. It organizes a wide range of events including social and academic. It is also committed to supporting alumni in their careers linking it closely with the University's Careers Service to support mentoring and intern opportunities to Alumni. UPES works to promote a close relationship between its alumni and the University. It fosters and strengthens the relationship with its alumni and friends to preserve and promote the University's traditions, purposes, growth and alumni and to keep alive Tiger spirit for our alma mater. It works to encourage alumni to become personally involved in and financially support University initiatives and activities. As a UPES alumnus, the alumni receive many benefits simply by staying connected to the university. Brief snapshot: • AlmaBay selected as a new alumninetworking tool to help alumni more easily connect with the university, in their area and around the globe. • Alumni Programs and Events • Job Search or Career Assistance • Higher Education • Privilege Card • Bulk Email Software Contribution of alumni in terms of guest lectures: The goal of these 19 lectures in 2017 was to allow alumni, students, and others at the campus to connect and discuss career goals and opportunities. In addition, these lectures and interactions also led to initiatives such as developing more student internship opportunities. 1. Mr. Brajesh Kumar Raman, Consultant, CGI 2. Mr. Vaibhav Bahl, Engineer, TATA Advance System 3. Ms. Rishita Rangarh, GIS Trainee, District Operations, Toronto Water 4. Mr. Varun Arora, Oil Gas Data Analyst, Tata Consultancy Services 5. CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

New Program Development Process In continuation with UPES's focus on innovation, excellence and fostering a vibrant learning ecosystem, Program management provides strategic direction for new areas, market intelligence, building a business case, launching new program, portfolio analysis, and nurturing. Program management is an interdisciplinary role that supports its schools and faculties in developing and implementing curricular change and innovation.. This role is about setting a program vision, defining a program strategy and developing a roadmap that meets both company goals and user needs. It is a collaborative decisionmaking process based on data, student aspiration and industry demand. The new program development process begins with proposing an idea, which comes from different stakeholders including school teams/ faculties, academic staff, and more. The team gathers input from a variety of secondary sources both internal and external to the institute to further detail out the scope and understand the market and competition with thorough data support. Shortlisted ideas are recommended to the Executive Team based on the proposed programs organizational alignment and strategic value, student and employer demand for the program, economic need, resource requirements, and financial feasibility. Program structure and curriculum details are designed to detail out students' experience, engagement, and program outcomes, in accordance with the Framework/ academic model defined for Programs. After getting approvals from competent authorities, proposed program is presented to the Academic council for approval. Once the program is approved, it can then be advertised and opened for registration and an official launch is planned Budget Process At UPES, we follow a bottoms up and participative approach to the budget allocation. A broad strategy involving key initiatives is formulated with the participation from key management and board members. Based on the strategy, a range of overall metrics for the planning year is defined. Then, a detailed budget exercise is undertaken with involvement from all the departments and management personnel. Finally, the management team reviews the budget on following parameters - a. Inflation and contractual increases b. Required trueup for next year based on increase in students, faculty and infrastructure c. Labs and infrastructure requirements d. New initiatives The budget thus finalized allows for midyear review and modifications. A. Process is as follows

1. Communication to all the department heads with broad guidelines
- 2.

Individual departments share their requirements with the department heads and school heads 3. School heads consolidate the budget at school level department heads consolidate the requirements at department level. Both then share it with the Finance team. 4. Finance team holds discussions with all school heads and departments. Open items are parked for discussion with the management. All the individual budgets are consolidated to arrive at the overall budget. 5. Finance team presents the overall budget along with the open discussion items to the management team 6. Management team takes decision on open items and overall budget is finalized 7. Presentation of the budget to the Finance committee for approval and record 8. Communication of the finalized budgets to all the school heads and department heads

6.1.2 – Does the institution have a Management Information System (MIS)?

Yes

6.2 – Strategy Development and Deployment

6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Human Resource Management	<p>Aarambhinduction program for new joinees, Protsahan Internal mobility program for lateral movement, Positive Moves-employee promotions, Unnati Pragati-leadership programs for developing adaptive skills, Urja annual employee training calendar to develop skills, Positive Leadership Gratitude is important value. Some rituals were adopted like thanking each other using a gratitude wall, Baaton Baaton Main informal employee-leadership townhall, Navrachna Employee physical emotional wellness program, An employee assistance program providing employees and their families a 24hour toll free counselling service to discuss their emotional problems, Kilkari Creche, Climate Survey employee engagement survey, Utsav celebrating with employees and their families. 5, 10 and 15 years Long Service awards are also given, Guru Dakshina-Teachers' day celebration to thank teachers, Abhigyaat-faculty internship program with industry.</p>
Research and Development	<p>UPES encourages faculty and students for active involvement in valued research activities. Publication of research work is encouraged in accordance with university guidelines for UGC listed journals of repute. Short range papers are often presented for peer reviewed journals through international conferences technically sponsored by IEEE, Springer, Elsevier etc. Innovation to utilization is promoted through patent filing,</p>

sponsored research projects and consultancies obtained from various funding agencies. Students are actively promoted in innovative research activities through mentorship and project involvement. Student contributions at national and international competitions have accumulated greater success such as 1st position in CANSAT 2017 conducted by NASA.

Curriculum Development

Curriculum development at UPES involves inputs from all the stakeholders and deliberations at three levels. Department Consultative Committee (DCC), initiates the development or modification of a course. Then at school level Board of Studies (BOS), discusses and finalises the recommendations of DCC, which are approved, modified or rejected by the University Academic Council. Further the new or modified curriculum is conveyed to the concerned school for implementation. Inputs are taken from faculty, students, recruiters, Professors from institutions of National and International repute, Govt. research organizations, experts from industries and alumni as a part of DCC and BOS.

Teaching and Learning

Classes are regularly monitored through SAP and requisite contact hours are ensured for every course. ICT is used to enhance the teaching effectiveness. UPES uses Blackboard as the LMS for delivery of online courses and blended teaching and teacherstudent communication. Casebased teaching, periodic class tests, virtual labs, online certification, and participation in cocurricular activities helps in student centric teaching and improves student experience. Faculty is regularly provided with industry related inputs and is encouraged to participate in Faculty Development Programs. The students are motivated to present and publish research papers and file patents.

Examination and Evaluation

The faculty submits the question paper online through SAP this maintains the confidentiality of the process. Examinations for subjects and open electives are conducted online. Continuous evaluation and Auto evaluation is also conducted through

LMS for a few subjects. Remotely proctored online mode examination for PhD course work enables scholars to take the tests from anywhere. Centralized evaluation for common papers and answer scripts after evaluation are shown to students. Online recording of FRC member's comments for Ph.D synopsis and abstract presentation also improves the rigour and effectiveness of the process.

Library, ICT and Physical Infrastructure / Instrumentation

- RFID based fully automated library system, including the Mobile app for accessing library resources
- Single Window search facility for data retrieval and availability of information
- Separate Discussion room for students at Bidholi Library
- Separate Reading Room for Faculty and Research Scholars
- To increase the research output of the University, emphasized on good eresources procurement
- Digitization of Thesis and uploaded all awarded Thesis at Shodhganga Database of INFLIBNET

Some of the quality improvement strategies enunciated for physical infrastructure are - Retrofitting of conventional lights with the LED Lights for energy savings

Water Savings measures by installation of the aerators and low discharge candles to the RO systems.

Ground Water Quality Testing and periodic drinking water quality checks

Maintaining the Power Factor near to UNITY for Energy Savings. UPES ensures optimum utilization of resources with constant endeavor to deliver quality maintenance with sound cost optimization strategies

Admission of Students

Admissions Team representatives visited the top schools with presentations to create awareness about the program offered by UPES and the scope of these programs and career prospects. Webinars focusing on current topics were conducted by Industry expert and Senior faculty members to engage with students. Pre counselling events were conducted in major cities where admissions team interacted face to face with the students. Group calls were made with students to address their queries and doubts before counselling. Unleash events were organised in key cities with motivational speakers and industry speakers were included as

resource persons to address the students attending the events. UPES also participated in key education fairs to promote the programs of UPES

6.2.2 – Implementation of e-governance in areas of operations:

E-governance area	Details
<p>Planning and Development</p>	<p>Academic planning and monitoring is done mostly online. At the start of the semester timetable is prepared with the help of CELCAT software. Through out the semester faculty and students can access time table through their SAP logins. Student attendance is recorded and monitored through CORTAS and communicated to students and their parents on a regular basis. Each class conducted according to the timetable gets recorded on the SAP and class not taken reports for a day can be generated through it. Faculty feedback is taken online by the students for each subject by the end of the semester.</p>
<p>Administration</p>	<p>Both the campuses of UPES are WiFi enabled and all academic and non academic operation is through SAP application. Employee attendance and leave records are maintained and monitored online through SAP. Intranet and websites are used to communicate with faculty staff and students. Land and infrastructure records are also computerised. Etracker is used to manage guestroom occupancy and cab detailment by University employees and guests. Requests for repair and maintenance jobs are generated and closed online through an operational tracker. Utility reports like daily utilization/ consumption of electricity and water are maintained online.</p>
<p>Finance and Accounts</p>	<p>FICA and FICO applications of SAP are used for financial operations in the University. Collection of student fees and payment to vendors is done online to maintain transparency as well as confidentiality in the system. UPES has implemented ERP/ Online payments/ Paytm/ PayU/ Debit Credit Card payments to facilitate students and vendors, promote inclusion in financial operations and save time and cost.</p>
<p>Student Admission and Support</p>	<p>Entire Student Life Cycle right from enrolment to alumni relations are maintained online. Candiadtes can apply</p>

online for the course of their choice. All communication regarding the selection process is done online on the registered credentials of the candidate. Application portal used is designed by Human Factors, Newgen portal. Candidate's attendance, documents verification and academic assessment (interview, exam, GD marks) is uploaded on the website /portal and he/she is intimated of the same via SMS/Email communications. An online help desk is available to students wherein they can log the issue/query online via online portal for requests, such as Bonafide letter, ID card, Address change etc.

Examination

In few open elective courses and for online courses, UPES introduced online evaluation in AY 201718 . Along with it a system of online examination was also executed for student continuous assessment. All faculty members submit the question papers online through SAP which is received by SRE after getting vetted by the HOD of that department.

6.3 – Faculty Empowerment Strategies

6.3.1 – Teachers provided with financial support to attend conferences / workshops and towards membership fee of professional bodies during the year

Year	Name of Teacher	Name of conference/ workshop attended for which financial support provided	Name of the professional body for which membership fee is provided	Amount of support

6.3.4 – Faculty and Staff recruitment (no. for permanent recruitment):

Teaching		Non-teaching	
Permanent	Full Time	Permanent	Full Time

522	522	179	179
-----	-----	-----	-----

6.3.5 – Welfare schemes for

Teaching	Non-teaching	Students
Monthly Birthday Celebration, Long Service Award, Marriage Gift, Instant Reward, Maternity Benefit, Mediclaim Insurance, Policy of fee concession for wards of Employees Paternity Leave, Incentive for Higher Education	Monthly Birthday Celebration, Long Service Award, Marriage Gift, Instant Reward, Maternity Benefit, Mediclaim Insurance, Policy of fee concession for wards of Employees Paternity Leave, Incentive for Higher Education	Infirmary Ambulance, Gym Facility, Insurance, Financial Support, Scholarships, Reward Recognitions, Counselling Centre

6.4 – Financial Management and Resource Mobilization

6.4.1 – Institution conducts internal and external financial audits regularly (with in 100 words each)

Yes, UPES undergoes internal external financial audits every year. While the external audit is mandated under UPES Act 2003, the internal audit is conducted by management to further strengthen the processes procedures. The audits have resulted in establishment of better control mechanisms. We also have a top level Internal Audit Committee to look after and deliberate upon audit reports.

6.4.2 – Funds / Grants received from management, non-government bodies, individuals, philanthropies during the year(not covered in Criterion III)

Name of the non government funding agencies /individuals	Funds/ Grnats received in Rs.	Purpose
none	0	not applicable
No file uploaded.		

6.4.3 – Total corpus fund generated

866446068.00

6.5 – Internal Quality Assurance System

6.5.1 – Whether Academic and Administrative Audit (AAA) has been done?

Audit Type	External		Internal	
	Yes/No	Agency	Yes/No	Authority
Academic	Yes	E Y LLP	Yes	Academic Monitoring Committee
Administrative	Yes	E Y LLP, ISO, OHSAS	No	NA

6.5.2 – What efforts are made by the University to promote autonomy in the affiliated/constituent colleges? (if applicable)

NA

6.5.3 – Activities and support from the Parent – Teacher Association (at least three)

In UPES teachers and parent, association is quite strong. it is mandatory for the parents to be with their wards during first registration process to understand rules and regulations of university and meet respective course coordinators and this is best time to interact with management to clarifies

their doubts related to hostel, medical facilities , sports facilities and even criteria for minimum attendance required for appearing in examination. Some of the department also started to include parents in the what's group to update all the information. Since final year is the most important year for the students, so parents are requested to accompanied their ward for the final year registration process. Proper interaction session kept with all the teachers to understand common problems and find out solutions through interaction.

6.5.4 – Development programmes for support staff (at least three)

1. ISO UPES is certified with three major certification viz ISO 9001, ISO 14001 OHSAS 18001. These certifications changed in the year 2015. During External audit of 2018, DNV auditor raised this issue to HR and advised that the staff should be given training on this revised standard. HR identified around 25 staff across the campus. To fulfill the requirement two days certificate training was organized by HR dept. through DNV , New Delhi on " awareness training on ISO 2015 ISO :14001:2015 on 7th 8th May 2018. Program was well appreciated by all the staff faculty members. 2. Training on Health Safety and Environment Department of Health, Safety and Environment organized oneday training program on health, safety environment for non teaching staffs of UPES. Awareness training on topics such as waste management, and impact of plastic pollution on eco system, practical measures one can adopt to mitigate the problem and campus waste management procedures occupational health and safety, fire preparedness were delivered by staffs of HSE department. It also had sessions on on manual handling safety, chemical safety and fire safety and preparedness. The session was followed by practical session on fire fighting. Faculties demonstrated the usage of different types of fire extinguishers. 3. GENDER SENSITIZATION WORKSHOP Gender Sensitization Workshops are conducted to create awareness about gender issues and Sexual Harassment at Workplace Act, 2013. These workshops are conducted at the time of the joining of the new employees i.e. twice during INDUCTION PROGRAM. Workshop are conducted to help the staff understand - A. Gender relations B. Gender issues and discriminations. C. What is considered sexual harassment at workplace D. Repercussions preventive behaviour. The objective of the workshops is to sensitize the participants on gender issues, gender biases and to help them resolve interpersonal conflicts arising from gender issues and to enable them to act assertively and respond to challenges at workplace.

6.5.5 – Post Accreditation initiative(s) (mention at least three)

1. Industry Interface - In order to make its curriculum in sync with industrial requirement, the University aims to continuously increase its industry tieups for "CoDesign, CoDeliver, and CoCertify" its various programs. Some of the prominent tieups are IBM Xebia for all Computer Science Engineering programs, LT, Philips Carbon Black, CISCO, MCX, and BSE for some of other Engineering and Management Programs. 2. Accreditation The University already has prestigious programmatic accreditation from IACBE for two of its flagship business program and QS Star rating - 5 stars for Employability and Infrastructure and 4 Star for teaching learning. The University is also ISO certified - ISO 9001:2008 ISO 14001:2004 OHSAS 18001:2007. in the same line, The university is in the process of getting two of its Engineering program accredited through NBA for which the application has already been filed. 3. Research Initiative for Students of Engineering (RISE) -. In order to technically and financially support their new engineering ideas into prototypes, the initiative called 'RISE' has been initiated wherein along with technical and infrastructural support, a financial support of 2025 lakhs per annum is given to interested students who come up with innovative research ideas.

6.5.6 – Internal Quality Assurance System Details

a) Submission of Data for AISHE portal	Yes
b) Participation in NIRF	Yes
c) ISO certification	Yes
d) NBA or any other quality audit	Yes

6.5.7 – Number of Quality Initiatives undertaken during the year

Year	Name of quality initiative by IQAC	Date of conducting IQAC	Duration From	Duration To	Number of participants
2017	Faculty members and students to increase usage of Blackboard(LMS)	10/10/2017	10/10/2017	09/10/2018	5500
2017	Strengthening of Existing Mentor Mentee System	12/10/2017	12/10/2017	11/10/2018	11800
2017	Increase number of e Database/e Journals subscription	12/09/2017	12/09/2017	11/09/2018	12200

BALLB students - UPES Gender Sensitization and Emotional Wellbeing Workshop	27/07/2017	27/07/2017	55	65
BBA students - UPES Gender Sensitization and Emotional Well being Workshop	25/07/2017	25/07/2017	72	108
BBALLB students - UPES Gender Sensitization and Emotional Wellbeing Workshop	22/07/2017	22/07/2017	93	67
BComLLB students - UPES Gender Sensitization and Emotional Wellbeing Workshop	21/07/2017	21/07/2017	22	38
BDes and MDes students - UPES Gender Sensitization and Emotional Well-being Workshop	20/07/2017	20/07/2017	87	93
Brick Race - Supporting the other gender	13/11/2017	13/11/2017	9	14

7.1.2 – Environmental Consciousness and Sustainability/Alternate Energy initiatives such as:

Percentage of power requirement of the University met by the renewable energy sources

13.74

7.1.3 – Differently abled (Divyangjan) friendliness

Item facilities	Yes/No	Number of beneficiaries
Physical facilities	Yes	0
Provision for lift	Yes	0

Ramp/Rails	Yes	0
Braille Software/facilities	Yes	0
Rest Rooms	Yes	0
Scribes for examination	Yes	0
Special skill development for differently abled students	Yes	0
Any other similar facility	No	0

7.1.4 – Inclusion and Situatedness

Year	Number of initiatives to address locational advantages and disadvantages	Number of initiatives taken to engage with and contribute to local community	Date	Duration	Name of initiative	Issues addressed	Number of participating students and staff
2018	9	93	02/07/2018	12	24 hours Ambulance service and Infirmary with on campus doctors	Unforeseen medical emergencies and health and safety of its employees	800
2018	9	93	02/07/2018	12	On campus accommodation facility for visitors	Safe and comfortable stay of visitors.	40
2018	9	93	02/07/2018	12	Provision of ATM facilities	To mitigate cash emergency	1400
2018	9	93	02/07/2018	12	Tuckshops	Availability of daily need items on campus.	2000
2018	9	93	02/07/2018	12	Multicuisine Food courts	To provide students with a variety of options in different	2500

						cuisines.	
2018	9	93	02/07/2018	12	Dedicated Base Transceiver Station (BTS)	To address connectivity issues for telephone, mobile phones and other wireless connectivity communication devices.	3000
2018	9	93	02/07/2018	12	Installation of 100Kw Photovoltaic Solar Power plant	Location advantage: Situatedness of university in good weather conditions helps to generate electricity via renewable resource i.e solar	2000
2017	9	93	03/07/2017	12	Use of 61500 litre Solar water heater	Location advantage: Use of Renewable Energy	1500
2017	9	93	03/07/2017	12	Rain water harvesting	Location advantage: Environmental Climate conditions	1800

7.1.5 – Human Values and Professional Ethics Code of conduct (handbooks) for various stakeholders

Title	Date of publication	Follow up(max 100 words)
Employee Code of Conduct: (UPES Belief Book)	01/07/2017	The UPES Belief Book was introduced as a common platform of what UPES stands for in values, to help bring clarity and understanding of various salient regulatory issues. It serves as a ready reckoner of various policies and regulations

		unique to the institution. Some of these include Regulations Governing Conduct, Discipline and Appeal, Regulations Governing Grievance Redressal Mechanism for Employees, Guidelines for Employee pursuing Higher Educational Qualification and IT Usage Policy.
Student Code of Conduct : (Student Bulletin)	01/07/2017	The student bulletin is a compilation of all policies, regulations and compliances required for a student in their association with the university. It serves as a handbook significant to student experience in the University. The key highlights include Anti-ragging policy disciplinary Measures, Grievance Redressal Mechanism for Students, Rules for Fees, and Hostel Rules. The Bulletin is subject to revision every academic cycle.

7.1.6 – Activities conducted for promotion of universal Values and Ethics

Activity	Duration From	Duration To	Number of participants
Doctors Day	01/07/2017	01/07/2017	25
World Mental Health Day	10/10/2017	10/10/2017	50
Independence Day	15/08/2017	15/08/2017	2300
Zashn e Azadi	11/08/2017	11/08/2017	1500
Hindi Diwas	14/09/2017	14/09/2017	100
Environment Day/ Ozone day	01/09/2017	01/09/2017	1000
Teachers Day	05/09/2017	05/09/2017	2300
Engineers Day	16/09/2017	16/09/2017	4168
Swachh Pakhwara	01/09/2017	15/09/2017	2500
Gandhi Jayanti	02/10/2017	02/10/2017	2300
Road Safety Anti Substance Awareness	01/07/2017	30/06/2018	3000
Sports Activities(outdoor and indoor games)	01/07/2017	30/06/2018	4000

National Ekta Diwas	31/10/2017	31/10/2017	200
Republic Day Celebration	26/01/2018	26/01/2018	300
Yoga Session	26/01/2018	26/01/2018	90
Women Empowerment Sensitization	09/02/2018	04/04/2018	20
World Cancer Day	04/02/2018	04/02/2018	2500
International Mother Tongue Day	22/02/2018	22/02/2018	2459
Annual Voluntary Blood Donation day	16/04/2018	20/04/2018	2516
SADAQAH: A donation Drive	03/02/2018	03/02/2018	25
Anti Substance Abuse Awareness Campaign	03/02/2018	03/02/2018	15
Dr Ambedkar Jayanti Celebration	13/04/2017	23/04/2017	80

7.1.7 – Initiatives taken by the institution to make the campus eco-friendly (at least five)

Initiative for ISO 14001 Certification (EMS - Environment Management system)
Pioneer in installing online ground water monitoring system through use of Piezometer
Zero discharge policy with 100 percent recycling of waste water in sewage treatment plant with 550 kiloliter per day capacity as recommended by the Central Pollution Control Board of India.
Decrease in energy consumption by Installation of energy efficient equipments.
Renewable energy usage by use of Photovoltaic solar power plant and solar water heating.

7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

A. Hybrid, Blended and Online (HBO) Education

1. Title of the Practice Hybrid, Blended and Online (HBO) Education and the Millennial Student

2. Objectives of the Practice The key objective is providing 24x7 access to students whenever, wherever and in the manner, they deem best to learn. UPES believes in offering a unique stateoftheart, cutting edge digital student experience that ensures a best learning outcomes to our students. focused on student engagement and success.

3. The Context There is an increasing recognition that hybrid, blended and online access of various subjects for the students is an important part of modern educational requirement. In the University of Future, most courses will be online and delivered to optimize learning experience.The learning needs of the millennial student are very different. To cater to these needs, it was necessary to selfdisrupt traditional way of teaching and learning and to introduce more hybrid and blended pedagogical elements into academic design and delivery.

4. The Practice To serve as the backbone for entire initiative mobile enabled digital learning collaboration platform was conceived and implemented. Several computing labs that used to be traditionally held in physical spaces were virtualized on the cloud - giving students access on their own device 24x7. Interactive digital textbooks containing embedded animations, builtin interactive simulators and autogenerated and autograded learning questions were

introduced to students. Innovative faculty were identified as champions and trained in detail in a formal certification process. Once certified, they became champions in their own departments and encouraged other faculty members to start imbibing this methodology into their delivery. They were also trained in tools for content creation like Articulate Storyline, Raptivity. Created content was then put into the LMS as part of esupported, blended or hybrid courses. Faculty one on one sessions were also held on regular basis where faculty could come and clarify their doubts/get hands on training on specific tools. 5. Evidence of Success The success story is evident from the statistics on adoption and propagation of HBO across the University Schools. Other, equally important outcomes include: a. Providing students with employable digital skills in preparation for entering the global workforce b. Efficiently managing capitalized infrastructure investments, reducing expenses and achieving excellence at scale c. Enabling the institution's commitment to provide a highquality, differentiated experience for students 6. Problems

Encountered and Resources Required The fundamental challenge was change management - where teachers who had in some cases never been exposed to these methods, had to learn them and integrate it with their own teaching methodologies. At the same time, making the entire exercise selfsustaining was the key and to do the same, a conscious cultural shift was introduced.

Resources required to implement this practice were: a. An open mind and willingness to change b. Requisite software platforms (including open source) c. Adequate training and enabling of internal faculty d. A conducive environment for culture change e. Appropriate instructional design and content (media) resources f. Appropriate endpoint devices with adequate

bandwidth/connectivity b. ABHIGYAT 1. Title of the Practice Abhigyat - the faculty internship program that effectively bridges gap between theory and practice and thereby enhances classroom delivery 2. Objectives of the Practice Abhigyat is an industry internship for faculty in their area of interest. During the internship, practical exposure with daytoday working of the industry on a specific project enhances the faculty's knowledge of the area while bridging theory with current practical insights. Such augmented knowledge, helps them to supplement their lectures with topical issues and industry solutions enhancing student learning experience. 3. The Context The framework of this practice revolves around first hand appraisal of working of the industry by faculty so that it enhances their domainknowledge and keep them upto date. 4. The Practice Abhigyat in duration can range from a week to a month or longer based on the need. The institution absorbs the cost of travel, accommodation and provides leave from duty to attend the internship. The need for such internship is identified at many levels. Firstly, the faculty sees value in the internship since it will help supplement their lectures with industry relevant examples as well as enable them to gain authority on what they teach students. The faculty notifies both the department and the placement/career service team on the need of such internship. Thereafter, the HoD (s) in consultation with Director/Dean identifies several areas in which the department and even school requires faculty internships based on the feedback received from the industry about students' employability. The department does the scheduling of the faculty's classes while the department of finance and administration facilitates the faculty's travel, boarding lodging.

During the internship, it is often the case that faculty is encouraged to choose an industry mentor. Post the internship, faculty are required to submit a report on the internship as well as make a presentation to their respective departments on the key learnings. 5 Evidence of Success Since its inception in the year 201213, more than 200 faculty have participated in the Abhigyat internships. Since the inception of the program, the number of 'skilled enough' students for the domain industries has been on the rise and increasing the students' learning curve. Through Abhigyat UPES has been creating a highly skilled and specialized faculty who are abreast with the latest in their

respective domains 6. Problems Encountered and Resources Required A few of the challenging issues that needed to be addressed in the designing and implementation of this practice were as follows: 1. Identifying faculty who needs industry internship 2. Identifying the industry within the domains of energy, infrastructure and transportation that is most suitable for respective faculty 3. For an academic institution, the main challenge was rescheduling the classes of the faculty who is identified to undergo internship 4. Ensuring that the knowledge augmentation of the faculty undergoing internship is disseminated among the fellow colleagues in the department.

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link

<https://www.upes.ac.in>

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

UPES was born out of the visionary thinking of industry experts and educationists, who came together, identified the demand supply gap of skilled professionals, existing in the Energy, Infrastructure and Transportation sectors, and visualized 'IndustryAcademia' interaction as its vision, priority, and thrust. Flagship programs of UPES at undergraduate and postgraduate levels have fetched it a tremendous value, with students accepted by the industry, enabling UPES to stand distinct amongst its contemporaries. Industry majors such as Shell, Cairn Energy, IBM, Xebia, BSE, LT, CIMA have been strongly associated with academic programs of UPES, in various capacities, codesigning, codeveloping and codelivering these programs, providing opportunities for students for internships and placements, offering exposure to hoard of industryspecific technologies for guest lectures, research projects and collaborative events, contests and other activities. Some of the other such knowledge exchange partnerships across the various departments and colleges of the university are Phillip Carbon for Chemical Engineering Program, L T for Civil engineering Program, Centre of Excellence' for 'Training and Research in Automation Technology Centre' in association with Bosch, CIMA (Chartered Institute for Management Accountants) for BBA, AIS programs, Autodesk for B.Des and M.Des programs. Another significant collaboration is with NITI Aayog, GOI, for designing, developing and conducting consultative policy dialogue and business research to promote and enable highlevel energyefficiency policy formulation in India. UPES with its distinct industry tieups, stateofart partnerships has made rapid progress witnessed with high acclaim honors and awards. Our made notable achievements marked by winning national, International competitions and various contests of the global ranking. UPES reinforces industryacademia ties and delivers on its commitment, are some of the distinct features that are in practice until date. These are listed below: • Academic Council • IndustryAcademia RD Meet • Distinguished Lecture Series • Learning with the Leaders • Abhigyaat - Faculty Internships • HR Round Tables Academic Council: For all curricular revisions and amendments, approval of academic council is essential. About 50 of the members of the Academic Council are senior industry personnel who provide critical input with regard to programs and teaching methodologies, contributing to strengthening the programs. IndustryAcademia RD Meet: Interactions are interfaced periodically, with industry majors to understand the scope of 'problem-solving' endeavours through research based projects, guided by industry experts, encouraging budding scientists, both student, and faculty. Distinguished Lecture Series: Eminent experts from industry are invited to share their experiences with students, who may extend this interaction, leading to the creation of a huge scope for possible internships. Learning with Leaders: Lectures by renowned

personalities/professors in their field of expertise are organized. The program drives intellectual exchange between experts and array of students and faculty.

Abhigyaat: UPES distinguishes itself from other Universities for encouraging its faculty to undertake industry internships in their specific domain and stay ahead with the cuttingedge latest trends and best practices in their chosen fields. HR Round Tables - The Round Tables are held in the domains of Aerospace, Automotive, Business Analytics, Design, IT, Power, Law, Oil Gas.

Provide the weblink of the institution

8.Future Plans of Actions for Next Academic Year

1. Curricular Aspects: i) Review existing feedback mechanism from various stakeholders and its relevance for curriculum enrichment. ii) To implement OBE across all programmes of University. 2. Teaching Learning Evaluation i) Technological intervention to enhance student learning i.e. simulation, animation, VR/AR ii) Reviewing students' experience on blended/online learning and strengthening it further. iii) Identifying and implementing Innovative ways of Internal Assessment/Mid semester exams to analyze critical thinking. 3. Research, Innovations an Extension i) To look at the possibilities of getting Govt. funding for Innovation center like Atal Innovation Mission. ii) To review the process of project proposal research paper submission. iii) To identify the focus areas and strategic plan for enhancing consultancy and outreach efforts. iv) To look at the possibilities and efficacy of focused extension activities in line with priorities of state government. v) To look at the possibilities of displaying some of students' work being used at different physical location in campus (Solar Tree, Solar Powered Mobile Laptop charger stations and Battery operated bicycles and sitting benches etc.). 4. Infrastructure and Learning Resources i) Review and upgrade existing technology support for student life cycle management i.e. time tabling, attendance, online registration, fee payment, communication, exam, evaluation. ii) Review and upgrade existing IT infrastructure iii) Review the utilization of ebooks, journals, magazines, etc. and plan for next year requirements. Student Support and Progression i) To review feasibility relevance of coaching i.e. providing professional support to students for CAT/GRE/GATE coaching. ii) To plan out yearly working schedule for enhancing alumni engagement. iii) Explore the relevance of the school/batchspecific alumni engagement plan. 6. Governance, Leadership and Management i) To workout leadership development plan at different levels. ii) To identify faculty development program and reviewing existing faculty development plan like CAFÉ iii) To review various academic and administrative systems and processes to enhance autonomy at appropriate level. 7. Any other point as emerged from time to time.
