

UPES becomes world's first University with two IACBE accredited MBA programs

College of Management and Economic Studies (CoMES), UPES is proud to announce that its two management programs- MBA in Logistics & Supply Chain Management and MBA in Oil & Gas Management have received international accreditation by IACBE (International Accreditation Council for Business Education). CoMES is the only business school in the world that offers these two programs with accreditation from IACBE.

IACBE is the leader in mission-driven and outcomes-based programmatic accreditation in business and management education for student-centered colleges, universities, and other higher education institutions throughout the world.

CoMES has undertaken a rigorous self-evaluation; has undergone a comprehensive, independent peer review; and has demonstrated compliance with the following Accreditation Principles of the IACBE:

1. Outcomes Assessment
2. Strategic planning
3. Curriculum
4. Faculty
5. Scholarly and Professional Activities
6. Resources
7. Internal and External Relationships
8. International Business Education
9. Educational Innovation

In addition, CoMES has demonstrated a commitment to continuous improvement, excellence in business education, and advancing academic quality in its business programs and operations.

The accreditation will not only deepen the quality of program offerings to current and future UPES students but will also provide significant edge in international placements.
