Inclusion of Students with Disability; Disability Facility Access Policy (2024)	**Ramps, accessible restrooms, parking**	**Library, water, academic buildings, sports**

Overview

UPES campuses have ramps, accessible restrooms and other facilities so that students, staff and visitors with disabilities can get around and use campus services. The commitments behind them are set out in two signed UPES policies, the Policy on Inclusion of Students with Disability and the Disability Facility Access Policy (1 July 2024).

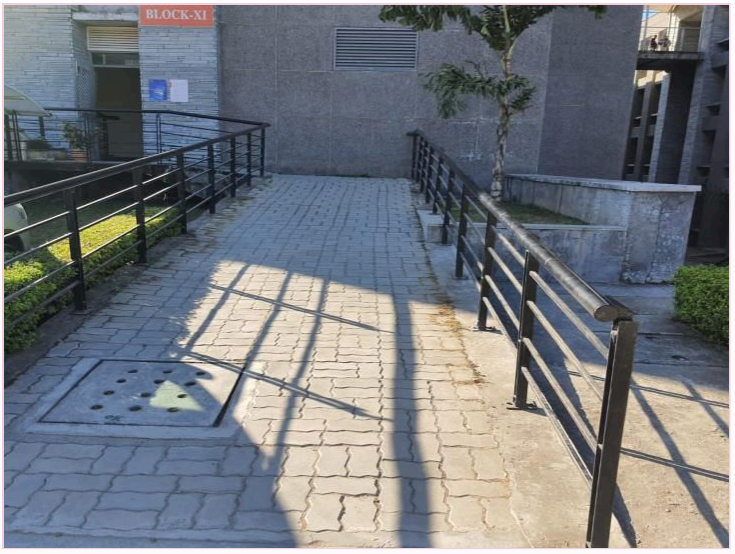

Facilities on campus

- Ramps with handrails lead into campus buildings, and accessible washrooms with grab rails are provided.
- People with disabilities have free access to facilities such as water dispensers, academic buildings, library services and sports facilities.
