Food on campus

- Twelve food and beverage partners run 18 outlets across the Bidholi and Kandoli campuses.
- The Registrar approves food court prices so that meals stay affordable for students.
- UPES encourages local, organic and ethical sourcing of food to reduce its environmental impact.

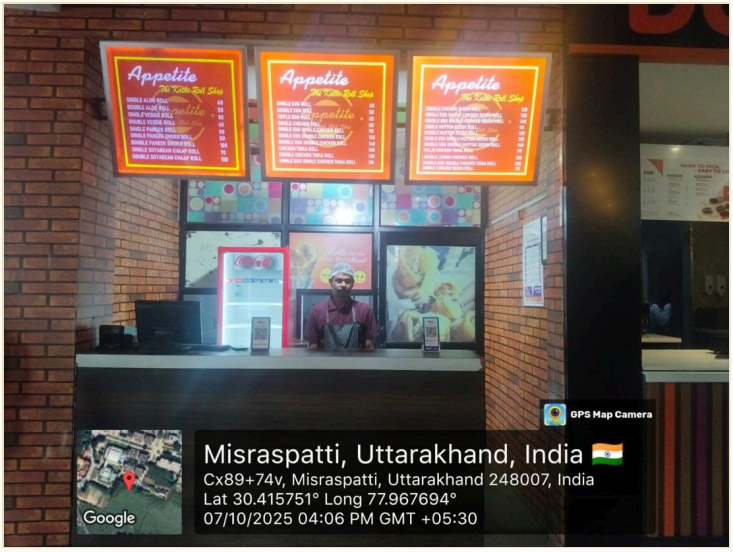

Food safety

- All internal and external food vendors must follow FSSAI standards.
- Regular internal food safety inspections and third-party audits are carried out, and food quality is tested often.
- External vendors at campus events must submit a valid FSSAI licence 24 hours before the event and sign an undertaking on hygiene and compliance.
- Vendors or events that do not comply can have their permissions suspended or withdrawn.
