Runway Incubator with the Social Outreach Department, UPES	11 August 2026	SDG 4, SDG 6, SDG 8	Events and activities

About

Runway Incubator, with the Social Outreach Department of UPES, held a social outreach programme at Government Inter College, Paundha, Dehradun, on 11 August 2026 under the theme “Become a Community Problem Solver”, to build an entrepreneurial mindset in school students.

The 155 students from Classes 9 to 12 worked in teams on five community problems: smart waste management, safe roads around the school, water conservation, better market access for farmers, and learning beyond the classroom. Each team chose its most practical idea, and six students presented their teams' solutions.
