2025	School of Advanced Engineering	9.3 University spin-offs and start-ups	SDG 8, SDG 9

About the event

Prashanth Sharma, who completed his B.Tech in Aerospace Engineering at UPES between 2017 and 2021, was featured in the Forbes 30 Under 30 Asia 2025 list in the Industry, Manufacturing and Energy category.

The recognition reflects his work in advancing the space ecosystem. The School of Advanced Engineering celebrated it as an example of the impact that UPES alumni are making in industry and innovation around the world.
