2025	UPES-Hypervision Student Chapter, School of Computer Science	Capacity for the region and the nation	SDG 4, SDG 9

About the event

Code Connect was organised by the UPES-Hypervision Student Chapter to connect first- and second-year students with senior students, who served as mentors.

The event created a supportive space in which junior students could openly ask for guidance, share concerns and connect with seniors, making it easier to engage, learn and settle into university life.
