2025	Runway Incubator, UPES	9.3 University spin-offs and start-ups	SDG 8, SDG 9

About the event

Runway Incubator at UPES ran its fourth pre-incubation cohort for early-stage start-ups.

During the programme, the founders received intensive mentoring, built prototypes, incorporated their ventures, refined their business models and prepared their pitches. At the end of the programme, 30 start- ups pitched for their first grant, and six were awarded microgrants.
