2025	School of Computer Science, UPES, under the Uttarakhand AI Mission	9.3 University spin-offs and start-ups	SDG 8, SDG 9, SDG 13

About the event

UPES hosted Level II of Udbhav 2025, the state-level hackathon under the Uttarakhand AI Mission, which brought together innovators from more than 25 institutes across the state.

Participants presented scalable solutions using artificial intelligence, generative AI, the Internet of Things, blockchain, extended reality and robotics.
